

Brocklesby Presents

BREKKY CLUB IN OUR COMMUNITY GARDEN

**Fri 7th
Nov**

**8.45 –
9.15am**

**Brocklesby
Public School**

We know it is close to harvest and love seeing the excitement and buzz in our school that harvest brings to our students and families. But, before the school year ends, we would love to showcase the amazing work that our teachers, students and volunteers have achieved in our community garden.

Join us for brekky!

We would love to see new faces – anything that is grown is welcomed to be harvested by all. If you can find any way to contribute (big or small), we would love to see all of the Brocklesby community benefit from the enjoyment of connecting with each other, contributing and eating the veggies!

**EVERYONE
WELCOME**
